

Below is a sea turtle and drawings of living and non-living things that a sea turtle might find in the ocean.

ECO-WONDER ACTIVITY:

- 1) Draw a circle around the the living things that sea turtles like to eat.
- 2) Draw an X through the non-living things that sea turtles might try to eat because it resembles their food.
- 3) Color the page!
- 4) Be an Eco-Thinker! - What are two things you can do to help keep the ocean and all waterways clean and healthy for the animals who live there?
