

Aeon for Ocean

Guide to Common Sense Plastic

Plastics are everywhere. It seems impossible to live our lives without it. But plastic pollution is doing a lot of damage to our oceans and the animals and plants that live there. What can you do?

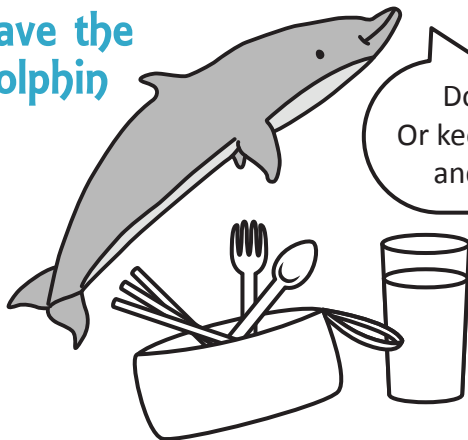

info@aeonforocean.org

Use reusable snack bags and sandwich wrap for school lunches.

Smarty the Orca

Dave the Dolphin

Don't use a straw!
Or keep reusable utensils and straws on hand.

I pledge
to reduce single-use plastics

(your name)

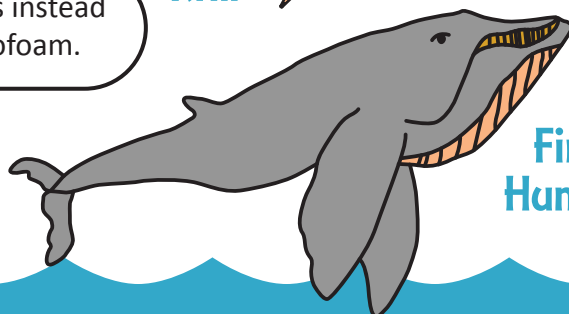

Use paper products instead of plastic or styrofoam.

Krill

Use paper or reusable shopping bags. Keep some in the car.

Fin the Humpback
